**CLUB ACTIVITIES:-**

The highlight of the club and the most dynamic and energetic activity of EMoTICA is “NUKKAD”, i.e. street plays which are performed in the open amongst the common mass. The objective of nukkad is to spread awareness regarding a particular topic in its own way through songs and actions. It is more effective in creating impact upon people as it’s done dramatically.

“Theatrics”, i.e. Stage plays are another aspect of the club where the actors live their reel life and are transformed into someone else.

“Silence is also an answer.” The EMoTICANS tell the story without any dialogues or any kind of noise. This form of acting is famous as MIME.

Mimic artists are another source of entertainment who tickle the funny bones and make the jaws pain through the mimicry competitions.

Short films are also in the agenda of the club so as to showcase the complete development in every perspective as script writing, screenplay and most importantly acting is unleashed at the national level.
