## About VSSUT, Burla

The Veer Surendra Sai University of Technology (VSSUT) Odisha was formed by Orissa Act 9 of 2009 by upgrading University College of Engineering (UCE), Burla to a non-affiliating Unitary University and came into force with effect from 1st day of July 2009. This State Government University is also recognized under 2(f) and 12B of UGC Act. Situated at the foothill of world famous Hirakud dam, the early history of the University is a fascinating chapter in the story of technical education in Odisha. Established on 12th Aug. 1956, UCE started with 60 students enrolling into 3 branches, namely the Civil Engineering, the Electrical Engineering and the Mechanical Engineering. After, conversion to a University, a number of UG and PG courses were introduced. The intake of Civil, Electrical, Mechanical and Electronics & Telecomm. Engineering was increased from 60 to 120 in 2013. Two new B.Tech. programmes like Metallurgy & Materials Engg. and Chemical Engg was started. A 5 yr. B.Arch. programme was also introduced in 2013. A number of new PG programmes were introduced after conversion to a University. At present, the University offers 10 B.Tech. programmes, 01 B.Arch. programme, 20 M.Tech. programmes in Engineering, 2 Dual Degree programmes, 3 M.Sc. programmes and 3 Integrated M.Sc. programmes, 3 M.Phil programmes, MCA programme and Ph.D. programmes in various disciplines. Almost all programmes are approved by the AICTE. At present total strength in UG and PG programmes is about 5000. In 2009, Ph.D. in various disciplines were introduced and at present 353 Ph.D. scholars are doing their Ph.D. in the area of Engg & Technology and humanities & Basic Science in different departments of the University.

The University also introduced two new B.Tech. programmes in Power Engineering and Manufacturing & Process Engineering specially designed for working engineers of HINDALCO from the academic session 2016-17. Seven B.Tech. programmes namely Civil Engineering, Electrical Engineering, Mechanical Engineering, Electronics & Telecomm. Engineering, Computer Science & Engineering, Production Engineering and Information Technology have been accredited by NBA. 07 PG programmes have already been accredited by NBA. The University has also got NAAC accreditation in the year 2016. The University has been selected by Govt. Of India as one of the institute for receiving grants under TEQIP scheme. The University also selected as nodal centre of AICTE QIP for pursuing Ph.D. in the area of Engineering and Technology. The University is receiving RUSA grant from Govt. of India, for infrastructure development. The Govt. of Odisha has selected the Department of Electrical Engineering of the University as Centre of Excellence. Financial assistance has been received from Govt. of Odisha for setting up an Innovation Centre in the University to carry out innovative activities which facilitate knowledge creation, innovation and entrepreneurship development amongst the students. ISRO, Bangalore has declared for establishment of an Innovation-cum-Incubation Centre in order to promote research activities in space science.
