About the University

VSSUT Burla is the premier unitary technical university in the state of Odisha, established in the year 2009 after upgradation of the first engineering college of the state (University College of Engineering, Burla – Estd. 1956). The university is situated at the foot of world famous Hirakud Dam in a beautiful natural surroundings of river, lakes and mountains. VSSUT acts as an academic and research hub by promoting quality technical education for the society in collaboration with closely located reputed educational institutions like Sambalpur University, V S S Institute of Medical Sciences & Research and emerging industries like Hindalco, MCL, Vedanta, Bhushan Steel etc. to name a few. The university has more than 15 Departments offering 10 B. Tech., 7 M. Tech., 4 M. Sc. programmes in diversified disciplines of engineering and sciences with a special focus on Ph. D. research on emerging and advanced areas. The university has currently 4400+ students, 300+ sanctioned faculty strength, 500+ support staffs and 20000+ graduating students (alumni).

Department of CSE, IT and CA

The Department of CSE, IT and CA, VSSUT, Burla was established during 1993-94. Currently, the Department offers 7 programmes including B. Tech. in CSE and IT, M. Tech. in CSE and ICT, MCA and Ph. D. in CSE and IT. The Department is the one of the largest in the university with student intake of 500+ and sanctioned faculty strength of 30. Since its inception, the Department has produced 2500+ high quality technocrats serving in reputed industries and R & D organizations spread across the globe. The faculty members and research scholars of the Department are pursuing high quality research work in advanced and emerging areas of computer science and information technology. The areas include (but not limited to) cloud computing, online algorithms, self-organizing data structures, parallel processing, distributed system, internet and quality of service, database security, data mining, soft computing, image processing, fractal study, machine intelligence, emotional intelligent, video processing and software engineering to mention a few.

The **CSI sponsored workshop on “Cloud Computing” (CSI-CC - 2016)** will be held at VSSUT, Burla on 31st October – 6th November 2016 with the following **broad objectives**.

- To promote education, research and training in emerging and recent trends in cloud computing and their applications for the advancement of knowledge and betterment of the society.
- To improve the quality of technical education, research and training in diversified areas of Computing.
- To provide facilities and opportunities to inspire graduate, post-graduate, Ph. D. scholars and faculty members for collaborative research works.
- To devise and implement upgraded syllabus and introduce advanced courses in the curriculum that are relevant to the changing needs of society and industries.
- To foster co-operation and interaction between the academic/research community with industries to exchange knowledge and information about the latest developments in relevant areas of teaching and research.

Theme of the Programme

The programme will provide a unique opportunity for participants to understand the recent advances in parallel and distributed computing and future challenges for growth and sustainability in the cutting-edge technology with a special focus on the theme Cloud Computing.

Resource Persons for the Programme

The resource persons for the programme are from host institution VSSUT.

1. Prof. Amiya Kumar Rath
2. Mr. Sanjaya Kumar Panda
3. Mr. Santosh Kumar Majhi and many more.

Events of the Programme

- Registration and inaugural function
- 07 technical sessions
- Panel discussions (Q & A with experts)
- Certificate distribution and valedictory function

Registration

Interested participants from industry, academic and research community are required to submit a filled and signed registration form (soft or hard copy) in prescribed format so as to reach the following address “**The Convener (CSI-CC - 2016), Department of CSE and IT, VSSUT Burla – 768018, Odisha, India**” on or before 29th October 2016. Hand delivered application is also accepted. **There is no registration fee, TA, DA and accommodation for the participants.** However, the participants may get the list of nearby hotels by sending a request mail to convener or co-convener of this programme. Selection will be based on first come first served basis. The total number of participants is limited to 50. Selected participants are intimated through email on or before 30th October 2016.
