***\*\*NOTE: 14.6.3 of Ph.D Regulations of VSSUT Burla:***

The guidelines for use of anti-plagiarism software for the Ph.D/M.Phil thesis are as follows: (i) The scholars have to certify that the Plagiarism Checker was used for checking the plagiarism. The name of the software used for checking plagiarism should be clearly mentioned and to this effect a declaration be attached in the thesis, (ii) The guide has to ensure checking against plagiarism through the software before submission of Ph.D/M.Phil thesis and endorse the undertaking of the scholar, and (iii) As per the Academic Regulations a maximum of three chances will be given to the research scholar, if the percentage of plagiarism exceeds the approved limit.

Keeping in view of recent trends in academic circles all over the world, the limits of similarity index are as follows:

- a) The overall similarity index shall not exceed 10 %.
- b) The similarity index from a single source (other than author's publication) shall not exceed by 3%.
- c) The revised softcopy of the thesis after removing the plagiarism materials must be submitted by research scholar or 2nd or 3rd verification within maximum two months. If the thesis is not found within the approved similarity index mentioned above (a) the candidate be asked to submit the revised thesis with similarity index within limit after one year (provided it does not exceed the maximum period of 8 years as per Ph.D regulation).

#### **Creation of Metadata:**

Proper metadata creation is very important for locating as well as for inters changing Resources between systems. Filling upon the data is to be done with care and diligence any error entered during the creation of metadata will lead into wrong display of thesis information. Special characters need to avoided during entry else data base will not accept the metadata and it will be stored in trash and system will not generate any auto feedback for such entry so that will make it difficult to our technical person to identify such unfinished and special character field metadata.

#### **Splitting and Naming Convention:**

In order to maintain quality, standards and uniqueness in all theses INFLIBNET Centre devised standards and formats based on international practices. This will give a proper photo print of physical appearance of the thesis with the same template available for individual thesis. Kindly Note that file name should be start with serial number like 01\_title.pdf, 02\_prelim pages.pdf, 80\_Recommendation ..etc. An example of split files along with chapter wise naming is given below:
