### About National Programme on Technology Enhanced Learning.

**NPTEL** National Programme on  
Technology Enhanced Learning

Funded by  
Ministry of HRD  
Government of India

The **National Programme on Technology Enhanced Learning (NPTEL)** is a Government of India sponsored collaborative educational programme. By developing curriculum-based video and web courses the programme aims to enhance the quality of engineering education in India. It is being jointly carried out by 7 IITs and IISc Bangalore, and is funded by the Ministry of Human Resources Development of the Government of India.

Today, there are over 600 courses available online. The course videos are available in streaming mode, and may also be downloaded for viewing offline. The video files are also viewable via the IIT Channel.

Seven IITs and the Indian Institute of Science (IISc) have worked together to develop web and video based material for basic undergraduate science and engineering courses in order to enhance the reach and quality of technical education in India.
