**National Seminar on
Recent Advancement in Material Sciences**

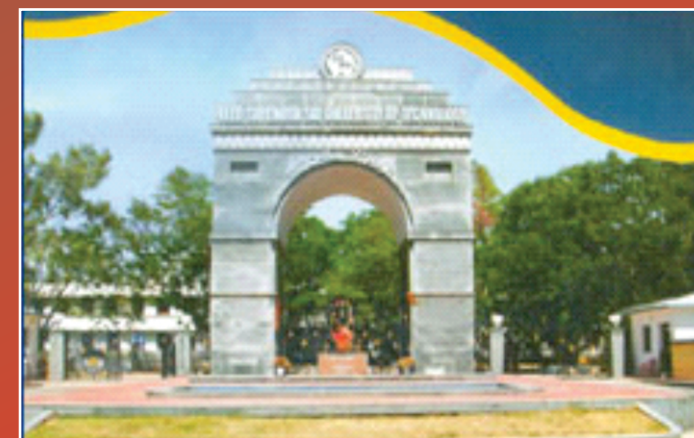

(RAIMS-13)

October 26-27, 2013

Organised by

**Department of Chemistry
Veer Surendra Sai University of Technology,
Burla, Sambalpur-768018
Odisha.**

About the University

The Veer Surendra Sai University of Technology (VSSUT) Odisha was established by Govt. of Odisha through the upgradation of the University College of Engineering (UCE), Burla to a Unitary University. This University is named after the legendary Veer Surendra Sai, the great Indian freedom fighter. This is situated at the foothill of the world famous Hirakud dam. The early history of the University is a fascinating chapter in the story of technical education in the state of Odisha established in 1956, at Burla in the name of University College of Engineering (UCE), the first engineering college of the state.

About the Department

The Department of Chemistry was started with the establishment of University College of Engineering, Burla, presently, Veer Surendra Sai University of Technology, in 1956. It is one of the oldest Chemistry Departments in the State. From the session 2010-11, the Department has started two years MSc programme in Chemistry and from the current session (2013-2014), the 5-Year Integrated MSc Programme as well a 2-Year MS(Research) programme will be started in the area of Chemistry. The syllabus of the postgraduate courses includes emerging areas of Chemical Sciences such as Nanochemistry, Green Chemistry, Supramolecular Chemistry along with conventional topics as per UGC norms and latest courses of the NET & GATE. The Department has seven well qualified faculty members in the different areas of Chemistry with adequate post-doctoral experience.

Scope:

Nanomaterials, Biomaterials, Composite materials, Engineering materials, Ceramic, Sensor materials, Cement and concrete materials, Structural and environmental friendly materials, materials for IT, Electronic materials, Green materials, Organic materials, Coating, Polymers, Corrosion resistance materials, soft materials, surface chemistry. The scope is not limited to above topics in case of exceptional research findings.

Venue and Location

The conference will be held in the **Department of Chemistry**, VSSUT, Burla in collaboration with **Department of Production**

Engineering, VSSUT. Burla town is the educational hub of western Odisha consisting of a University, a Government Medical College and hospital along with VSSUT besides numerous schools and colleges. Burla is well connected to Bhubaneswar, Jharsuguda, Rourkela, Raipur and Kolkata with roads and railways. The nearest railway station is Hirakud (2 KM) and Sambalpur Junction (8 KM).
