About the University

The Veer Surendra Sai University of Technology (VSSUT) Odisha was formed by Ordisha Act 9 of 2009 by converting University College of Engineering (UCE), Burla to a non-affiliating Unitary State University and came into force from 1st day of July 2009.

This University is named after legendary Veer Surendra Sai, the great Indian freedom fighter who was born on 23rd January 1809 and sacrificed his life fighting against the British and died in obscurity in Asirgarh Jail on 28th February 1884. Situated at the foothill of world famous Hirakud dam, the early history of the University is a fascinating chapter in the story of technical education in Odisha. Established on 12th Aug. 1956, at Burla in the name of University College of Engineering (UCE), the first engineering college was functioning as a constituent college of Utkal University, Bhubaneswar.

About the Department

The Department of Chemistry started in 1956 with the establishment of University College of Engineering, Burla, Presently, Veer Surendra Sai University of Technology. It is one of the oldest Chemistry Departments in the State started under the founder headship of Late Prof. Sripati Pani, PhD (London). Luminaries like Prof. R C Das, Professor of this Department, later served as the Chairman, Pollution Control Board, Orissa and Vice Chancellor of Berhampur University. The Department infuses the basic fundamentals of Chemistry to the students at B Tech level. The Department started M.Sc. (Industrial Chemistry) from 2010-11, 5-Year Integrated MSc Programme from 2013-2014 as well as M.Phil. Programme from 2014-2015. The syllabus of the postgraduate courses which includes emerging areas of Chemical Science such as Nanochemistry, Green Chemistry, Supramolecular Chemistry, designed to cater the industry and academia requirements.

Further, research scholars are enrolled in the Department of Chemistry leading to Doctoral Degree. Besides, the department is engaged in consultancy works which involves testing of chemical and engineering materials supplied by many National, State-level and local industries.

Research projects from different funding agencies such as UGC, DST, CSIR, DBT,AICTE have been under taken by the faculty members of this department.

Venue and Location

The conference will be held in the Department of Chemistry, VSSUT, Burla.

The Burla town is piquant and truly a university town as it hosts VSSUT Burla, Sambalpur University, and the VSS University of Medical science, Burla, besides numerous schools and colleges. It is the most ideal place for learning and to achieve one's privileged dreams. Burla is well connected to Bhubaneswar, Jharsuguda, Raipur and Kolkata with roads and railways.

About RAIMS

RAIMS 2015 is the third such event of RAIMS series being organized every year successfully since 2013 and could attract renowned scientists and academicians during last two series. RAIMS aims to bring together academicians, leading engineers, industry researchers and research scholars to share their experience, expertise and research results about all the aspects of Materials Science and Engineering.

Registration Fee

From Industry and Corporate sector	: Rs1000/-
Academic institution	: Rs 500/-
For Students	: Rs 300/-
Accompanying person	: Rs. 300/-
