Organized by TEQIP-II, VSSUT, Burla

Scope of the Workshop:

TEQIP- II of VSSUT, Burla, is organizing a two days workshop on "Management Capacity Enhancement - A Technical Education Perspective". The workshop aims to bring together faculties of the university on a common platform to interact with one another and to provide an opportunity to share their experience in the field of technical education.

The workshop will include invited talks by professors from IIM, Raipur and VSSUT, Burla on enhancing the management capacity of faculties. It also focuses on the concept of self-actualization, achieving academic excellence, improving interpersonal skills in a constraint environment. In this context, we encourage participation of faculties from all discipline.

Topics of Discussion:

1. Interpersonal Skill
2. Self-Motivation
3. Achieving Academic Excellence
4. Time Management

Registration:

Faculties members of the university are required to submit their willingness to participate in the workshop through their concerned Head of the Department to the coordinator TEQIP cell VSSUT. The faculties have to register on 29th January 2016. Registration includes workshop kit, workshop material, participation certificate, tea and lunch.
