NOTICE

This is to inform all the current first year (2023 Entry batch only) B.Tech. students that applications for branch change are now open as per academic regulation, **clause 9.0**.

Eligibility Criteria:

1. Only students who have cleared the 1st and 2nd semester examinations in one attempt, in their current branch, are eligible to apply for a branch change.
2. The minimum CGPA requirement for eligibility is 8.0.
3. Availability of seats in the desired branch will be a determining factor.
4. Students having any pending dues or disciplinary issues are not allowed to apply for the branch change.

Application Process:

1. Fill out the online Branch Change Application Form using the link <https://forms.gle/G7Jg57jtXxCm7oTQ8> on or before **1st July 2024**.
2. Attach scanned copy of "Undertaking form" signed by parent / guardian and student in PDF / JPG format.

Selection Process:

1. The decision regarding branch change applications will be based on merit and the availability of seats in the desired branch. Meeting the eligibility criteria does not guarantee a branch change. In case of a tie among the applicants, it will be resolved by their respective JEE main 2023 rank.
2. The list of all eligible applicants ranked in decreasing order of their CGPA, along with their preferences, will be displayed on the University Notice Board and Website on **05/07/2024**. Any request for withdrawal of application must be submitted by **08/07/2024, 5.00 P.M.** only.
3. The list of students approved for branch change as per recommendation of the Branch Change Committee (BCC) will be displayed on the University Notice Board and Website on **09/07/2024**.
4. All decisions regarding branch changes are considered final and obligatory for the applicants. It's imperative to understand that once notified, no student will be permitted, under any circumstances, to reject the offered change of branch.
5. For students admitted under the Self Financing or Regular Scheme, any change in branch will not affect their fee structure. They will continue to pay the same amount of fees in their respective scheme until the completion of the B.Tech Programme.
