• The performance and productivity of the equipment/ goods offered;

• The quality and adaptability of the equipment/ goods offered.

• Any other point as deemed proper to be incorporated by the evaluation committee.

• Alternative options of offer shall not be allowed.

• Each Bidder shall submit only one quotation with one make & model.

• The quotation would be evaluated separately for each item

• Negotiation may be made with the lowest evaluated bidder.

• Lowest evaluated price shall be taken in to consideration, but not the lowest quoted price.

• Willingness to provide operational Training to one Official of each consignee at consignee site for at least 7 days whichever is suitable to Purchaser.

6.0 Supply Conditions

6.1 Delivery of Goods

The delivery of goods shall be made by the supplier to the Consignee in accordance to the order placed as shall be detailed in the Schedule of requirements & technical specifications.

6.2 Instruments, Equipment and Machineries Demonstration cum Inspection

Purchaser reserves the right to ask for demonstration cum inspection of the instruments & equipment where ever applicable.

6.3 Inspection/Test/Training

The supplier shall get each equipment inspected in manufacturer's works and submit a test certificate (New & Un used) and also guarantee/warranty certificate that the equipment confirms to laid down specifications.
The supplier shall invite the purchaser for pre-dispatch inspection. The Purchaser or his representative shall have the right to inspect/examine/test the goods in conformity with the contract awarded/supply order during the production or before dispatch from the manufacturer's premises. Such inspection and clearance will not prejudice the right of the consignee to inspect and test the equipment on receipt at destination.

The inspection/examination/test may be conducted in the premises of the Supplier or at the goods final destination or at the premises of the consignee, as will be decided by the Purchaser.

The purchaser's right to inspect/examine/test & where necessary to reject the instruments & equipment after the arrival of the goods at the final destination, shall in no way be limited or waived by the reason of the goods having been inspected and tested by the manufacturer previously. In case of rejection of the goods at the final destination after inspection and test as stipulated above and in case any inspected/tested goods fail to confirm to the specification/working condition, the purchaser may reject them and the supplier shall replace/repair the same free of cost.
