Sub: Action taken report on feedback analysis for the AY 2023-24 on Structured feedback for curriculum and its transaction

Action taken at Department:

- Department meetings were held to interact with faculty members and understand the difficulties faced during teaching learning process and students' response.
- Counselling of faculty members who have received less feedback scores was done to understand their limitations and improve their teaching methods.
- Faculties were advised to be updated with recent advancements in the subject area of the course curriculum and include special interactive learning sessions in the lesson plan, as flexible contents are incorporated in the course modules.
- Remedial classes for slow learners were arranged.
- Seminars and hands-on workshops with professional architects and industry experts are organized at the Department level for pedagogy enhancement.
- Student Monitoring Counselling Committee (SMCC) meeting organized regularly.
- The students are encouraged to participate in national and international level competitions, conventions and hackathons on Net-zero energy and work on real world problems, execute creative practical solutions like construction using waste materials and adaptive reuse.
- Students are encouraged to publish their case studies in conferences.
- Department exposition is conducted to show case student's project work, and hone their creativity, technical skills and team building attitude.

Action taken related to Curriculum Revision:

- The courses on Structural Design were revised to add conceptual contents as discussed with senior professors of Civil Engineering discipline.
- Interaction with Architecture department of different national level institutions and officials of Council of Architecture (COA) are in the process to revise the curriculum in line with NEP. However, it is understood that the COA is in the process of reviewing how best to establish the coherence of the B. Arch curriculum with NEP.

DEPARTMENT OF CHEMICAL ENGINEERING

No. VSSUT/ChE/ 184/24

Date: 06/12/2024

To
The Director, IQAC
VSSUT, Burla.

Sub: Action taken on student feedback report 2024-25 Odd Semester

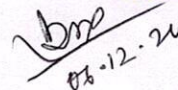

1. Student feedback reports were obtained by Head of Programme and the same were communicated to the all faculty members for their information. It was noticed that for all regular faculty members the feedback was above 80%, however the feedback for the contractual faculty member was just below 80%.
2. In view of this, the regular faculty members were advised to try for improvement in the ensuing semester. The contractual faculty member was personally counselled to enhance the teaching methods for getting higher feedback values in the coming semester.
3. Moreover the comments given by the students for different faculty members were also reviewed. The drawbacks were communicated to the concerned faculty member for the improvement.
4. Further it is planned that in the subsequent faculty meeting remedial measures will be discussed in detail so that the teaching-learning process can be improved.

3. Support needs to be given to the weaker students specifically students with lower CGPA.
4. Scholarship should be provided to Research Scholar for continuing Ph. D.
5. Suggestions were received to have more alumni interaction

Action Taken Report

1. Students are counseled about the current scenario in the IT sector and advised to try for higher studies like M. Tech, MBA, MS and Ph. D.
2. Students were allowed to do their internships in various Industries.
3. Extra classes/ Doubt clearing classes/ Tutorials Classes are being taken for the weaker students.
4. Faculties were advised to attend courses offered by NPTEL and attend FDP's organized by IIT's, NIT's and Industries.
5. More Alumni interactions are in the planning stage and will be implemented in the future.
6. Students are encouraged to publish their research articles in different Journals and Conferences.
7. Mentor- Mentee system successfully continued to resolve different Academic and personal issues of students.

Yours Faithfully,
