

No. VSSUT/OOR/ 357 /2024

Date: 07/05/2024

OFFICE ORDER

In pursuance to the Govt. of Odisha in SD&TE Department Letter No.SDTE-HTE-THE-II-0015-2024/3571/SDTE, the following restructuring of School of Computer Sciences and Courses has been made with immediate effect.

- (a) The Department of Information Technology (IT) will be merged with Computer Science and Engineering (CSE) and the existing 60 intakes each in B.Tech. in Information Technology will be merged with Computer Science Engineering. The new intake will be 120 in Computer Science and Engineering as the quality of intake in CSE is better as compared to IT. Further, ninety percent of courses are common in both streams and CSE is more accepted in the Industry and Academia of repute.

Considering the IDP implementation, where the main mandate is to increase the B.Tech. intake, the new courses proposed to be offered to be introduced gracefully year by year. For the Academic Year 2024-25, (1) –(4) programmes will be offered and programmes (5) – (7) will be offered in the due course of time when the classrooms and faculty strength will improve.

Sl. No	Name of Course	Effective Year
1	B.Tech. CSE: 120	2024-25
2	B.Tech. CSE (Specialisation AI & ML):60(NEW)	2024-25
3	M.Tech. CSE (Specialization: CSE): 36 (Additional 18)	2024-25
4	M.Tech. CSE (Specialization: AI&ML): 18 (NEW)	2024-25
5	M.Tech. CSE (Specialization: Data Sciences): 18(NEW)	To be offered later on
6	M.Tech. CSE (Specialization: IOT): 18(NEW)	
7	M.Tech. CSE (Specialization: Cyber Security): 18(NEW)	

- (b) Before the restructuring, 30 seats from CSE and 30 seats from IT were in Self-Financing Mode, hence after restructuring out of 120 CSE seats 30 will be in Self-Financing and 90 on Regular mode. Further, the B.Tech. CSE (AI & ML) 60 seats will be in Self-Financing Mode. All M.Tech. Courses will be in regular mode. The details of courses to be offered from the academic session 2024-25 is attached in Annexure-1.
- (c) The School of Computer Sciences will not have departments and the School will offer the programmes in B.Tech., M.Tech., MCA, and Ph.D. (CSE). The appointments and the services of all the faculty and technical staff members of the present CSE, IT, and MCA Departments are transferred to the School of Computer Sciences with immediate effect. Considering their professional growth of faculty, all qualifications and specializations will be taken into account for Direct and CAS recruitment if they fulfil other eligibility criteria as per AICTE norms.

By order of Vice-Chancellor
