IIT Gandhinagar is a modern campus with a number of facilities available for our students. The list of campus facilities is available at <http://www.iitgn.ac.in/new-campus/>. We are also a green campus, and all members of the community are encouraged to adopt sustainable use of all resources. In particular, we strongly encourage walking and bicycle use, and use of personal motor vehicles by the students inside the campus is not permitted.

You are required to arrive at the Institute campus by 5 PM on 17 July 2022. The joining and registration procedures have to be completed on 18 July 2022. You are required to attend the orientation programme, "Aarohan" details of which will be shared in due course. If you are unable to register on 18 July 2022, we will presume that you are not interested in admission to IIT Gandhinagar. At present there is no requirement of quarantine but you must be fully vaccinated before you arrive on campus. However, if the Institute quarantine norms changes in view of the evolving pandemic situation, a revised schedule of arrival on campus will be intimated in due time.

Please do not hesitate to contact the Academic Office if there are any questions. We look forward to personally welcoming you at IIT Gandhinagar soon.
