

**VSSUT FACULTIES AWARDED PRESTIGIOUS UGC-UKIERI
THEMATIC PARTNERSHIP PROJECT**

Prof. Amar Nath Nayak

Dr. Bharadwaj Nanda

A UGC - UKIERI (UK India Education Research Initiative) thematic partnership project was awarded to two faculty members of Veer Surendra Sai University of Technology, Burla, **Professor Amar Nath Nayak** and **Dr. Bharadwaj Nanda** from department of civil engineering. The research projected proposal titled “**FRP shear strengthening of damaged concrete beams subjected to fatigue loading**” submitted in **collaboration with University of Birmingham, United Kingdom** has been selected for funding on 01st March 2018. This project will enable exchange visits of faculty members and students between VSSUT Burla and University of Birmingham, UK for conducting the joint research project activities and conducting joint conferences/workshops and joint publications.
