About E-cell & NES

E-Cell, NIT Rourkela
Founded in 2007, Entrepreneurship Cell NIT Rourkela, fosters "Innovation, Incubation, and Entrepreneurship." It empowers students with entrepreneurial traits and supports them in turning ideas into ventures.

National Entrepreneurship Summit (NES)
Initiated in 2013 by E-Cell, NES is a premier platform connecting students, entrepreneurs, industry leaders, and experts to bridge the gap between students and their dream to become entrepreneurs. This year, NES promises an exciting mix of keynotes, workshops, panels, and interactive events, inspiring students to dream big and innovate.

PLANNED EVENTS

SHARK TANK

An extravagant event where the startups, venture capital firms and investors can directly network with each other. This event brings great opportunity for both the entrepreneurs for raising funds for their startups and the investors for investing their money. Startups get a chance to pitch their ideas to renowned investors across the globe.

HACKATHON

An event that aims to solve global challenges in innovative ways. It is a cumulation of technological innovations and businesses that help ideas turn into working business models.

STARTUP EXPO

The Startup Expo brings together some of the most promising startups from across the country, showcasing their groundbreaking products and unique solutions.

INTERNSHIPS

Internships are essential for building industry relevant skills and experience that help college students have an edge over others. An initiative that connects talent seekers with the right talent pool. An exciting opportunity to interact with startup founders and learn about the latest innovations and technologies.
